Summer Update

Center News

Wow! What an awesome group of supporters we are privileged to have. Daily we are counting our blessings and thanking God for each one of you.

The Lord speaks. He makes the sun shine by day. He orders the moon and stars to shine at night. He stirs up the ocean. He makes its waves roar. His name is The Lord Who Rules Over All.

Jeremiah 31:35

We wanted to let you know that the down payment money is in place for the purchase of the building. We are eagerly looking forward to becoming owners rather than renters and thank each and every one of you for your part in realizing this dream. Of course things don't always go as quickly as we would like them to. However, we have secured financing and pre-approval and everything is in the works. As soon as our financial audit is complete, we see nothing standing in the way of finally signing on that dotted line and taking ownership of our center property.

It has been what seems at times a very long and slow process but we are almost there. We just want to express how much we appreciate all your support, your prayers, your donations and encouragement that has all played such a vital part in the growth of this life-changing ministry. And it is truly more than just taking ownership of our center. It is the ability to be more secure so that we can apply more focus, more effort, more time in doing what we have been placed here by God to do...and that is saving souls for the Kingdom. That is our ultimate goal each day, to help more and more men turn their lives to Jesus.

We appreciate you all!

Dustin Daniels and the board of Dare Challenge.

From The Directors Desk...

What a great year so far! God is moving in Dare Challenge and great things are on the way. Sometimes I get questions from supporters asking why we are not under the national Teen Challenge organization. So I want to take this time to share with you the reasons why we choose to own our center and run it with a board of directors and myself as leaders and decision makers.

It is because it gives us the ability to do things "outside the box" when needed. Like what, you ask? Well, not too long ago I received a phone call regarding a 16 year old boy whose dad had passed away some time ago. His mom was unable to provide the structure he needed in his life and he found himself in trouble for some pretty serious issues that did result in him being placed in jail. I was able to meet with him and then the judge and get permission to have him released to our custody. Praise be to God, he is now on fire for Jesus and I believe he will be one of our biggest successes. We are helping him to finish school and then our goal is to try to get him enrolled in Bible college, Lord willing. Chris is one of several students we have been able to help with our "out of the box" thinking that allows us to intervene in a young man's life and get him to a place where Jesus can then come in and begin His miraculous work. God leads us to the men He wants us to help and I am led by His Spirit to do His will. Please continue with us and tell others about the exciting things going on here at Dare Challenge with our men. Your continued prayers and financial support play a large part in changing the lives of men and their family's one person at a time.

Praise be to God!

Dare Challenge Thrift Store

If you haven't already visited our Thrift Store, please stop by one day and check us out. We are located at 500 S. Croatan Hwy in KDH. (next door to KDH Post Office)

We are open Monday thru Friday from 10am till 6 pm and on Saturdays from 8:30 am till 6 pm. Weather permitting, we have our Yard Sale Extravaganzas

outside with tons of gently used furniture and household items at bargain prices.

We welcome your donations as well. You can drop off your "gently used" items at our store or

center and we will gladly arrange for pickup of larger loads or items. Contact Dustin Daniels at 305.1129 to arrange for pickups. Please make sure when dropping donations off that they are in a condition that will allow us to resell them. Oftentimes, we have to spend quite a bit of time

and money to dispose of items left at our store that are not in good enough condition to sell. Thank you for your help with this.

We would also like to thank Shon Balance Lee for her generosity in lending of her time and talents painting our new Thrift Store sign. We just love it and appreciate her kind spirit in doing this for us.
